Re: Case 94-W-0066 - Proceeding on Motion of the Commission to Establish a Policy to Require Large Water Companies to Initiate a Long-Term Strategic Planning Process.

Dear John McManus:

I received your letter, dated June 29, 2022, on behalf of Liberty Utilities (New York Water) Corp. (f/k/a New York American Water Company, Inc.) (the Company), requesting an extension to file the Company's biannual long-range strategic plan pursuant to the above-referenced proceeding. The filing is due June 30, 2022.

You state that the Company is in the midst of developing a budgeting plan that it expects to complete by the end of 2022. You add that the Company will continue to operate under a Transition Service Agreement with its former corporate parent, which impacts the Company's ability to implement strategic changes until the fourth quarter of 2022. For these reasons, you say that you are requesting a one-year extension to file the Company's next biannual long-term strategic plan.

Based upon the information provided, an extension until June 30, 2023, is granted to Liberty Utilities (New York Water) Corp. (f/k/a New York American Water Company, Inc.) to file its next biannual long-term strategic plan.<sup>1</sup> This extension is granted in order to promote the fair, orderly, and efficient conduct of this proceeding, and this ruling will be posted on the Department's website.

Very truly yours,

A handwritten signature in black ink, appearing to read "Michelle L. Phillips".

Michelle L. Phillips  
Secretary

<sup>1</sup> This extension does not modify any subsequent due dates; thus, as acknowledged by the Company, it will resume its biannual filings on June 30, 2024, and every two years thereafter.
